The summer program runs 8 weeks (May 23rd - July 15th). You will be responsible for paying 7-8 weeks (one week of vacation optional) regardless of the number of weeks you plan to attend. Please remember you will need to find other childcare arrangements for the week of July 18th-22nd, when all Friends programs are closed. This week allows for maintenance issues to be completed and staff vacations to be taken. Friends will be open the week of July 25th-July 29th, and you may sign up on a daily basis. This week is optional and not a part of the summer camp contract. School begins the following Monday, August 1st, 2016. If you have any questions, please ask your site director.
