You will be responsible for paying 7-8 weeks regardless of the number of weeks you plan to attend. One week of vacation will be credited to your account if you have a zero balance at the end of summer camp. Your account must be paid current to receive your vacation week credit if your child was absent for a full week. Please remember you will need to find other childcare arrangements for the week of July 17th-21st, when all Friends programs are closed. This week allows for maintenance issues to be completed and staff vacations to be taken. Friends will be open the week of July 24th-July 28th, and you may sign up on a daily basis.
